BED BUG PREP SHEET

**Our service tech's need your co-operation to do an effective treatment
please carry out the following.**

- 1-Remove all food ,dishes and cooking utensils from countertops ,stoves and place in cupboards or put in fridge .Place all lamps and personal articles away from treatment areas ,if all areas are to be treated please put on floor in safe area.
 - 2-Furniture in all rooms should be moved away from walls (**min 2feet.**)
 - 3-Remove all bedding from beds.Put in plastic bags,seal bags, before removing from room .Wash and dry on high heat,wash immediately after removing from beds,.Do not return laundry back to any infested area until treatment is done .Leave box spring and mattress on the bed frame .If box s Spring or mattress show high activity ,or has rips or tares they must be disposed of. But box spring and mattress need to be wrapped in plastic and sealed before removing from room .New mattress or box spring must be covered in mattress and box spring encasements .Our supplier has mattress and box spring Encasements that has zipper locks that will not let any bed bugs to have access to mattress or box spring .Please ask service tech .for pricing and information.
 - 4-Remove drapes put in plastic bags ,put in dryer on high heat or dry clean .Do not put drapes back until treatment is complete.
 - 5-Do not place items on fabric covered furniture such as couches ,chairs beds.
 - 6-All closets and dresser drawers should be completely emptied ,including hanging clothes, put into bags ,sealed before removing from rooms then into a hot dryer for 45min .Then washed and dried and put into plastic bags ,seal and Keep in bags until infestation is gone.
 - 7-Birds and pets must be removed from premises for 4-6 hours.
- Fish tanks and pumps must be covered and the pumps turned off.

8-All plants must be removed or covered .If removed please inspect for bed bugs , if bed bugs present please leave in premises.

9-Vacuum all floors ,especially edges ,crack/crevices and remove vacuum bag , and immediately seal in plastic bag, place in garbage.

10-The material covering the bottom of box springs ,sofas and arm chairs may be removed by service tech to treat these areas.

11-

IMPORTANT

EVERYONE MUST LEAVE PREMISES FOR AT LEAST 4 TO 6 HOURS FROM THE TIME WE ARE FINISHED THE TREATMENT. ANYONE HAVING .ALLERGIES ,ASTHMA ,IS PREGNANT, CHILDREN UNDER THE AGE OF 6 OR ANYONE WITH RESPIRATORY PROBLEMS .WE RECOMMEND LEAVE PREMISES FOR 24 HOURS.

12-New mattress and box springs need to be covered with bed bug covers with **locked zippers.**

13-Use clean sheets and blankets on beds and a sheet should be placed on the couch after treatment for one week .Vacuum carpets especially around baseboards daily.

14-All furniture should be vacuumed daily ,example mattress ,box spring ,couch. **After each vacuum remove bag ,seal in plastic bag and remove to garbage .THIS IS NOT AN INSTANT KILL PRODUCT , DOES NOT KILL BED BUG EGGS .The eggs will hatch and young bed bugs will have to cross over product installed in order to die.**

This might take14-21days.Hotel/motel rooms may be required to be out of commission for 7-14 days after treatment.

15-PLEASE NOTE THAT IT IS THE RESPONSIBILITY OF THE LANDLORD OR BUILDING OWNER TO NOTIFY ALL TENANTS THAT MAY BE AFFECTED BY THE ABOVE TREATMENT.
